All pupils returning to school 5th January 2021

Dear Parents/carers,

Happy New Year to you all. I hope that you have all had a lovely Christmas break and that this letter finds you and your family well.

At present, **all of our children will be expected to return to school as normal on Tuesday 5th January**. The government are constantly reviewing the situation and if there are any changes, we will let you know as soon as we can. In the meantime, it is our intention to make the return to school as safe as possible for everyone. With this in mind, we ask that everyone follow the guidelines below:

Children cannot return to school if:

- **they are positive for COVID-19 themselves**
- **a member of their house hold is positive**
- **if they have symptoms of COVID-19**
- **if a member of their household has symptoms of COVID-19**

The school site must remain a symptom free zone. Thank you for your support.

FACE MASKS

We please ask that all adults (who can) wear face coverings at the school gates and on the school grounds. We have vulnerable children, parents and staff in our community and we need to do all we can to protect them.

TIME KEEPING

Please can all parents collect children at their allocated times. Arriving too early or too late means that parents are waiting around and causing a hazard to others around them. Please help to keep everyone safe by following times tightly.

SOCIAL DISTANCING

We ask that parents try to maintain social distance at all times. **Please do not congregate at the school gates** or outside of the school. We need to keep the paths around the school as clear as possible for everyone to walk by safely. This is very important for the wellbeing of everyone. Arriving on time, and not too early, will really help with this.

We all need to play our part in protecting our school community, remembering that some children, parents and staff have underlying health conditions that make them especially vulnerable.

We're looking forward to seeing all of the children back for the start of term. We wish you all the very best for 2021.

Yours sincerely

Mrs S Thurston
Head of School
