

## Year 2 Autumn Term: A Tale of two cities- Hull and London

### English

This term we will use these texts to support our learning. We will develop our comprehension skills and write using a range of genres.

### Maths

As mathematicians we will learn about place value in 2 digit numbers and develop our skills of addition and subtraction. We will also master our problem solving and reasoning skills within these areas.

### Science

As scientists we will learn about plants and what they need to grow.  
We will also learn about animals including humans and how they grow and survive.

### Geography

As a geographer we will learn about the capital cities of the UK and the surrounding bodies of water. We will also identify landmarks for aerial pictures.

### History

As a historian we will learn about the fishing industry in Hull and The Great Fire of London.

### Art

As artists we will appreciate the work of Cristo and Jeanne-Claude before sculpting London landmarks

### D&T

As design technologists we will change a sweet recipe to a savoury recipe by testing, designing, baking and evaluating our own buns for the bakers shop.

### Computing

In computing we will use skills and knowledge to create an E-book titled 'What is a computer?'

### RE

The RE theme is belonging. We will consider what it means to belong in different religions.

### Music

As musicians we will use our voices in different ways and think about others when performing.

### RSHE

Jigsaw themes are: Good to be me and Celebrating difference

### PE

As sports people we will learn and practice skills needed for ball games and gymnastics.
