Year 3 Autumn Term: Life in Stone Age, Bronze Age and Iron Age Britain

English

This term, we will use these texts to inspire and support our learning. We will develop our comprehension skills and develop our writing using a range of genres.

Maths

As mathematicians, we will learn about place value in 3 digit numbers and develop our skills of addition, subtraction, multiplication and division. We will also master our problem solving and reasoning skills within these areas.

Science

As scientists, we will learn all about light and explore darkness, reflections and shadows.

We will also learn about forces and magnets and discover how magnets work.

Geography

As geographers, we will learn about the major cities of the UK and also about some rivers of the UK.

History

As historians, we will learn how food, farming changed across the Stone, Bronze and Iron Ages and we will use our understanding of chronology to make links and spot contrasts.

Art

As artists, we will appreciate the work of local sculptor, Saffron Waghorn. We will work with her to understand mark making in clay and create Stone Age pots.

D&T

As design technologists, we will explore how people of the Bronze Age used materials to make purses. We will design and evaluate our own Bronze Age bead pouch.

Computing

In computing, we will use skills and knowledge to create an E-book about a super-Hero. We will also make a Keynote presentation entitled 'What is a computer?'

RE

The RE theme is Why Remember? We will consider Mary. Whys is Mary such an important part of the story?

Music

As musicians, we will learn about singing in pitch and performing in unison. We will also investigate pitch and performance using instruments.

RSHE

Jigsaw themes are: Good to Be Me and Celebrating Difference

PE

As sports people, we will learn and practice skills needed for ball games and gymnastics.
