

Spring 1- We are Scientists!

Key Stories

Lost and Found
Noah's Ark
The Three Little Pigs
The Gingerbread Man

Literacy

We will be learning to use our phonic knowledge to write for a purpose such as making lists and labelling pictures.

Maths

This half term we will be learning the number bonds to 5. We will also learn about the numbers 6-10 and how to represent them in different ways.

Physical Development

We will begin to develop a range of skills including: throwing, catching, kicking and passing.

Personal, Social and Emotional Development

This half term we will show resilience and perseverance in the face of challenge by developing problem solving skills.

Communication and Language

We will learn lots of new scientific vocabulary and use it when we are discussing what we have discovered.

Understanding the World

This half term we will be thinking scientifically, making predictions about what we think is going to happen. For example, 'What will happen if we put ice on a radiator?'

Expressive Arts and Design

We will play instruments to imitate the sounds of different types of weather and begin to keep a steady beat. We will think creatively about to solve problems such as how could the Gingerbread Man cross the river without the help of the fox and plan, do and review our ideas together.
