

Year 6 Spring Term: Anglo-Saxons

English

This term we will use this text to support our learning. We will develop our comprehension skills and write using a range of genres.

Maths

As mathematicians, we will develop our understanding of number using fractions and decimals. We will use these skills to demonstrate our deep understanding through a range of problem solving and reasoning activities.

Science

As scientists, we will learn about: Light and Electricity.

For our topic on light, we will investigate: different sources of light; how light travels from a light source to our eyes and how shadows are formed.

Whilst studying electricity, we will compare the variations in how components function including: the brightness of bulbs; the sound of buzzers; and understand the symbols used in a circuit.

Geography

As geographers, we will use a range of maps and atlases to learn about the location of European capital cities and counties of the UK. We will investigate land use patterns and understand how these have changed over time.

History

As historians, we will learn about the Anglo-Saxons and how they fit into the chronology of British History. We will learn about Anglo-Saxon settlements, rulers and laws, before making comparisons to modern society.

Art

As artists, we will be focussing this term on sculpture. We will create a number of sculptures using a range of materials and techniques before creating our own clay interpretation of a character from the Anglo-Saxon tale Beowulf.

D&T

As design technologists, we will investigate a range of textiles used to create an Anglo-Saxon pouch. We will learn how to use a range of stitches that can be used, before designing and make our own bag.

Computing

In computing, we will be exploring how technology impacts our lives. We will learn the skills we need to create a 'How to' digital guide.

RE

The RE theme this term is **Living a faith**. We will learn about the milestones of life give a sense of identity and belonging to faith members, using our key question 'What gives a sense of identity and belonging|?'

Music

As musicians, we will listen to how music was composed during medieval times. We will learn how to play a short melody on a glockenspiel, before composing and performing our own song.

RSHE

Jigsaw themes this term are: **Dreams and Goals and Healthy Me.**

PE

As sports people, we will develop our dance skills, through movement, with support from Flex Dance.
