

Summer 1- How does your Garden Grow?

Key Stories

Jack and the
Beanstalk
Oliver's Vegetables
Handa's Surprise
Tree
Non Fiction Texts
Sunflowers

Literacy

We will be applying
our knowledge of the
'special friend'
sounds (digraphs)
such as: 'ay' 'ee', 'igh'
and 'ow' in our
writing.

Maths

This half term we will
be learning about
doubling, halving and
sharing.

Physical Development

We will be focussing
on moving with
coordination and
control. As well as
sequencing a series
of movements.

Personal, Social and Emotional Development

This half term we will be learning to give focused attention to activities and follow instructions involving several ideas or actions.

Communication and Language

We will learn to give explanations about why things might happen, using recently introduced vocabulary.

Understanding the World

We will learn about plants and the conditions in which they grow. We will look at different types of fruits and vegetables and taste them. We will also learn about Africa, in particular Kenya. We will look at maps to see where it is and what life is like there compared to England.

Expressive Arts and Design

We will be exploring colour and shape through observational drawing and painting. We will also learn about the artist, Vincent Van Gogh and look at some of his paintings.
