Executive Headteacher: Mr S. Kernan
Head of School: Mrs S. Thurston

15.07.21

Dear Parents/Carers,

As you will be aware, England moves to step four on July 19th with some restrictions lifting. Covid cases in Hull however, are rapidly escalating.

Schools across Hull will be maintaining the current protective measures that we have in place for the final week of this term to limit the number of people needing to isolate for the beginning of the holidays until the end of the term.

Children cannot return to school if:

- they are positive for COVID-19 themselves
- a member of their house hold is positive
- if they have symptoms of COVID-19
- if a member of their household has symptoms of COVID-19

The school site must remain a symptom free zone. Thank you for your support.

FACE MASKS

We please ask that all adults (who can) wear face coverings at the school gates and on the school grounds. We have vulnerable children, parents and staff in our community and we need to do all we can to protect them.

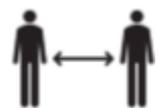

TIME KEEPING – all staggered times remain in place

Please can all parents collect children at their allocated times. Arriving too early or too late means that parents are waiting around and causing a hazard to others around them. Please help to keep everyone safe by following times tightly.

SOCIAL DISTANCING

We ask that parents try to maintain social distance at all times. **Please do not congregate at the school gates** or outside of the school. We need to keep the paths around the school as clear as possible for everyone to walk by safely. This is very important for the wellbeing of everyone. Arriving on time, and not too early, will really help with this.

We all need to play our part in protecting our school community, remembering that some children, parents and staff have underlying health conditions that make them especially vulnerable. The school is currently making plans for the Autumn Term in which all measures and restrictions will be lifted, in line with government guidance. We will write to parents with these details soon.

Kind regards,

Sarah Thurston
Head of School
