## Parent Courses

Thank you to those parents who attended our Managing Children's Behaviour course this week. This was a great success and we look forward to seeing you again next week.

## Clifton Values

Prior to the break I asked the children what they felt our core values should be at Clifton. There were lots of discussions held with children and teachers and the following values are considered to underpin the ethos of Clifton Primary School:

**Kindness**  
**Being Safe**  
**Tolerance**  
**Respect**  
**Honesty**  
**Ambition**

We will assign a value each half term and the children will learn what the value really means. They will have lots of opportunity to demonstrate the value. We have also introduced a point system, linked to our house system, where our children can earn points when displaying the value along with making positive behaviour choices. I am sure your child will share how many points they have received each week! Ambition is our core value for the first half of the summer term.
