Literacy

We will be learning to recognise letters and the sounds that they make. Putting the letter sounds together to make words that we can read and write.

Maths

This half term we will be learning to finish and create different patterns and learn about the numbers 0-5, understanding what the value of those numbers means.

Physical Development

We will learn different movement skills such as rolling, jumping, running, hopping and skipping. We will also learn to start and stop when moving around.

Personal, Social and Emotional Development

This half term we will be building up relationships and learning how to express our feelings socially and emotionally.

Communication and Language

We will learn how to communicate with each other, taking turns to listen and talk as well as using new vocabulary.

Understanding the World

This half term will be finding out about different woodland animals and the importance of looking after the natural world around us.

Expressive Arts and Design

We will be working creatively by expressing ourselves using drawing, painting and collage materials. We will also be learning how to plan, do and review when designing something with a purpose in mind.
