

# Year 1 Spring Term

## English

This term we will use these texts to support our learning. We will develop our phonics skills and write using a range of genres.

## Maths

As mathematicians we will learn about numbers to 20 including place value and develop our skills of addition and subtraction. In our numeracy we will be doing length and height and weight and volume.

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20

## Science

As scientists we will be learning all about animals and habitats. We will be naming common animals including pets, farm animals and wildlife. We will be investigating which animals are herbivores, omnivores and carnivores.

## Geography

As a geographer we will learn about characteristics of the four countries of the UK. We will be using world maps and globes and develop our knowledge on hot and cold places.

## History

As a historian we will be discovering Australia and James Cook. We will be developing our knowledge about the past and look at key figures such as Amy Johnson.

## Art

As artists we will be developing our knowledge of shape and colours. We will be looking at the work of Henri Matisse and still life drawings.

## D&T

As design technologists we will investigate, design, make a free standing structure. We will be looking at how to make it stronger, stiffer and more stable.

## Computing

In computing we will be exploring the world of digital art. We will be creating our own paintings!

## RE

The RE theme is worship. We will be learning about the important features of different places of worship.

## Music

As musicians we will be learning all about rhythm patterns and identifying the pulse in music.

## RSHE

Jigsaw themes are:  
Dreams and Goals.

## PE

In PE we will be learning all about coordination and moving to music
