

Year 3 Spring Term

English

This term, we will use these texts to inspire and support our learning: *The Firework Maker's Daughter* and *Escape from Pompeii*. We will develop our comprehension skills and develop our writing using a range of genres.

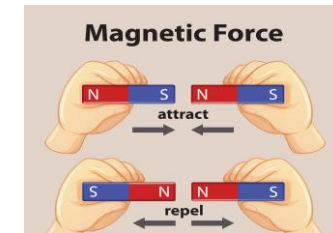

Maths

As mathematicians, we will be focusing on multiplication and division. We will also master our problem solving and reasoning skills within these areas.

Science

As scientists, we will learn about forces and magnets. We will look at how magnetic objects react to force.

Geography

As geographers, we will have a key focus on volcanoes and the human and physical features of Hull and a European country. We will be using maps, atlases and OS maps to help us.

History

As historians, we will learn how the past is constructed of a range of sources including primary and secondary sources. We will look at the invention of the steam engine and its impact.

Art

As artists, we will appreciate the work of Paul Cezanne, specifically with his 'Pitcher and Fruit'. We will look at different sketching and painting techniques to create different effects.

D&T

As design technologists, we will explore how traditional Italian pizzas were made and learn key health and safety measures when working with food. We will design, make and evaluate our own Italian pizzas.

Computing

In computing, we will use skills and knowledge to create a sequence using programming. We will incorporate sound to our sequences.

RE

The RE theme is Faith founders- Who are the faith founders and what did they teach? And Remembering Easter: how are the events of Easter remembered.

Music

As musicians, we will explore rhythm, pitch and melody and understand how to use these in performance.

RSHE

Jigsaw themes are: Dreams and Goals and Healthy Me.

PE

As sports people, we will develop skills in dance and create our own sequence using counts of 8.
