

Year 4 Summer Term: Rivers and the Water Cycle

Enrichment: Yorkshire Water Learning Lab

English

This term, we will use these texts to inspire and support our learning. We will develop our comprehension and inference skills and develop our writing using a range of genres.

Maths

As mathematicians, we will continue to learn about multiplication and division in preparation for the MTC. We will develop our understanding of fractions and decimals.

Science

As scientists, we will learn all about the human teeth and the digestion system. We will learn about the different states of matter and how these can change when heated or cooled.

Geography

As geographers, we will learn about the location of major rivers of the UK and the World. We will learn about how rivers are formed and their importance.

History

As historians, we will learn about how bridges were developed and how these have changed over time. We will focus on the Humber Bridge and learn about how its development impacted on our local area.

Art

As artists, we will be looking at the work of J.M.W. Turner and how he uses colour and textures. We will then create our own landscape paintings using these skills.

D&T

As design technologist, we will combine our scientific knowledge on electricity to create a lighthouse using Crumble kits.

Computing

In computing, we will learn how to programme a sprite to create shapes and how we can use debugging. We will look at how data is collected using a data logger.

RE

The RE theme is People Who Inspire Us. We will develop our understanding of why and how a person of faith devotes themselves to a worthwhile cause.

Music

As musicians, we will work with Hull Music Service to sing and perform. We will learn about dynamics and how to play an instrument and perform.

RSHE

Jigsaw themes are: Goals and Dreams and Healthy Me. We will learn about how to deal with our emotions and feelings. We will also learn about friendships.

PE

As sports people, we will develop our ball skills and apply them to a variety of ball games including netball and cricket.
