

Year 4 Summer Term  
Enrichment – Visit to Ferens Art Gallery, Egyptians – Museum in school, Science – Visit to Bridlington  
Animal Park

### English

This term, we will use these texts to inspire and support our learning. We will develop our comprehension and inference skills and develop our writing using a range of genres.

### Maths

As mathematicians, we will learn about a range of measurements including money, and time. We will learn about a range of shapes and their properties. We will also be doing the Multiplication Check Test between 2<sup>nd</sup> June and 13<sup>th</sup> June.

### Science

As scientists, we will learn all about the digestive system which includes learning about the role of our teeth and how our bodies process food. We then develop our knowledge about living things and their habitats and how the environment can endanger living things.

### Geography

As geographers, we will learn about the location of biomes focussing on the location of the Sahara Desert. We will learn about the hemispheres and how the weather is different in each of these.

### History

As historians, we will learn about when and how the Ancient Egyptians lived. We will use our historical knowledge to compare this to periods in history we have learned about.

### Art

As artists, we will be looking at the work of Percy Wyndham Lewis. We will observe his work during our trip to Ferens Art Gallery and create our own self portraits.

### D&T

As design technologist, we will investigate which ingredients can be combined to make a healthy alternative to a traditional dish.

### Computing

In computing, we will learn how to use search engines effectively, whilst keeping ourselves safe online.

### RE

The RE theme is Our World. We will consider what an ultimate question is and what different faiths believe.

### Music

As musicians, we will work with Hull Music Service to sing and perform. We will learn about dynamics and how to play an instrument and perform to an audience.

### RSHE

Jigsaw themes are: Relationships and Changing me. We will learn about how to deal with changes to our bodies and emotions.

### PE

As sports people, we will develop our athletic skills. We will then develop our understanding of team work and how to communicate effectively.
