Year 6 SATS

This week I sent a letter home to parents / carers of Year 6, to express how proud we are of the pupils and how ready they are for SATs week next week.

We will be providing a hot breakfast for pupils each day and are really looking forward to seeing them be successful. They are all hardworking and resilient and I could not be prouder! Important to remember is getting a good night's sleep and having a relaxed weekend prior to the tests. We certainly do not expect children to be 'revising'. We urge all children attend school punctually during SATs week.

Year 6 classrooms will be open from 8am each day where children are able to relax and enjoy something to eat before they move to the hall.

Multiplication Test

The children in Year 4 will be sitting their Multiplication Test over the course of two weeks. This will start on **Monday 2nd June**. Please keep practising times tables with your children at home. They can use TT Rockstars to support them.

ParentPay

Please register with Parent Pay if you haven't already done so. If you need assistance, please see a member of the office team. Thank you
