Year 1 Autumn Term:

English

This term we will use these texts to support our learning. We will develop our phonics skills and write using a range of genres.

We will be reading and basing our learning on the following texts:

The way back home by Oliver Jeffers

The Bog Baby by Jeanne Willis

Maths

As mathematicians we will learn about numbers to 10 and develop our skills of addition and subtraction. We will also master our problem solving and reasoning skills within these areas.

Science

As scientists we will learn about the human body and our five senses.

We will also learn about different objects and the materials they are made out of. We will describe the materials using interesting vocabulary.

Geography

As a geographer we will learn about the four countries of the United Kingdom and we will learn about the city we live in.

We will also be focusing on weather and seasons.

History

As a historian we will learn about different household artefacts and toys from the past and we will be introduced to the term: chronology.

Art

As artists we will appreciate the work of David Hockney before creating our own art inspired by his work. We will also look at primary and secondary colours.

D&T

As design technologists we will investigate, design, make and review our own puppets.

Computing

In computing we will use skills and knowledge to learn to use technology such as using a mouse and keyboard.

RE

The RE theme is belonging. We will consider what it makes us special.

Music

As musicians we will use our voices in different ways and think about others when performing.

RSHE

Jigsaw themes are: Good to be me and Celebrating differences

PE

As sports people we will learn and practice skills needed for ball games and gymnastics.
