# Year 6 Autumn Term: World War Two

## Planned Enrichment Activities – Eden Camp/ Blitz Local History Study

### Literacy

This term we will use these texts to support our learning in reading and writing. We will develop our comprehension skills and write for a range of purposes.

### Maths

As mathematicians we will develop our understanding of place value in numbers up to ten million.

We will develop our understanding of formal written methods of calculation for the four operations (addition, subtraction, multiplication and division). We will use a range of calculation strategies to solve multi step problems.

### Science

As scientists we will learn about Humans (including the circulatory system), and we will learn how light travels.
We will investigate how exercise impacts heart rate and talk about he negative effects of drugs, alcohol and poor diet.

We will learn about the scientist Thomas Edison.

### Geography

As geographers we will learn about different types of settlements and the features of each. We will look at hamlets, villages, towns, cities and megacities investigating population and services. We will design our own settlement.

### History

As historians we will learn about World War Two using a range of sources. We will focus on the effect the war had on the people of Hull and how it changed the city.

### Art

As artists we will be focusing on landscapes. We will look at the war artist, Paul Nash and then create line drawings in a similar style.

### Design Technology

As designers we will investigate a combination of stitching and applique techniques in textiles. We will research, design, make and evaluate a cushion.

### Computing

In computing we will be learning about computer systems and networks.

We will learn how computers communicate with each other.

### Religion and Worldviews

The RW theme this term is Justice and Freedom. We will be looking at the lives of people who have suffered injustices, and ask the question, 'Is it fair?'

### Music

As musicians we will sing, explore, create and perform music from different genres, commenting on our likes and dislikes.

### RSHE

Jigsaw themes this term are: Belonging and Celebrating Difference. We will discuss our rights and responsibilities and look at what it takes to be empathetic.

### PE

As sports people we will learn the skills needed to play invasion games and how to perform gymnastics moves including forward and backword rolls.

### French

In French we will learn to speak about ourselves and our families. We will learn the phonic sounds needed to speak fluently.
