Year 4 Autumn Term 2026

Enrichment opportunity: Hull and East Riding Museum

English

This term, we will use the texts The Iron Man and The Promise to inspire and support our learning.
We will develop our comprehension and inference skills and develop our writing using a range of genres.

Maths

As mathematicians, we will learn about place value in 4 digit numbers and develop our skills of addition, subtraction.

We will also master our problem solving and reasoning skills within these areas.

Science

As scientists, we will learn all about the digestive system which includes learning about the role of our teeth and how our bodies process food.

Geography

As geographers, we will develop our understanding of using atlases and maps. We will learn about the countries of Europe and the capital cities.

History

As historians, we will learn how the Romans have influenced Britain and we will use our understanding of chronology to begin to develop an understanding of the different periods in British history.

Art

As artists, we will be looking at the work of Henri Matisse. We will develop our collage and printing skills.

D&T

As design technologist, we will explore how to join pieces of materials using the back stitch.

We will then use a template to create pencil case.

Computing

In computing, we will develop our understanding of the internet. We will learn the importance of evaluating content online and the importance of being safe online.

RE

The RE theme is belonging. We will consider what it means to belong to a faith.
We will also explore why light is an important symbol of Christmas.

Music

As musicians, we will work with Hull Music Service to sing and perform. We will learn about dynamics and how to play an instrument and perform.

RSHE

Jigsaw themes are:
Being Me In My World and Celebrating Difference.

PE

As sports people, we will learn and practice skills needed for ball games and gymnastics.
